

The Financial Conduct Authority (FCA) requires financial services firms to report on the number of FCA reportable customer complaints they receive on a half yearly basis.

Our complaints handling

The efficient and fair handling of customer complaints is of great importance to the Bank. We take our customer's feedback very seriously to allow us to improve our business and the service to our customers. Our goal is to treat each complaint impartially, empathetically and in a consistent manner with minimal delay. Where it is not possible to resolve the complaint to the customer's satisfaction, we will aim to leave the customer feeling that the Bank has acted in a courteous, reasonable and timely manner.
