## TERMS AND CONDITIONS

- Please read this leaflet in conjunction with Shawbrook's terms and conditions for Personal Savings Accounts. If there is anything that you do not understand, please contact us for further information or seek independent advice.
- We'll send you a statement on the anniversary of the date of receipt of your first deposit and at the closure of your account.
- We reserve the right to withdraw this product in accordance with Shawbrook's terms and conditions for Personal Savings. If we do withdraw it, you can still get your money out of your account (at the end of the fixed term or prior to the end of the fixed term, subject to an early exit charge) but you cannot put more money in. If we withdraw a product, it will appear in the 'Withdrawn Products' section of our website. If you are considering making further deposits, we suggest you check our website first or call us on 0345 266 6611 to see if the product is still available.
- Please note that if we withdraw this product you will not be notified in writing.
- If you change your mind and wish to cancel your application to open an account, you may do so at any time within the first fourteen calendar days from the opening date of your account. Please write to us by post or Secure Message to confirm your request or call us on 0345 266 6611.
- Shawbrook Bank only provides savings accounts for individuals who are permanent UK residents (excludes Channel Islands, Isle of Man and other Crown dependencies) and only liable to pay tax in the UK. Please notify us immediately if your circumstances change and you are no longer a permanent UK resident and/or no longer only liable for UK tax.
- The early exit charge will be taken from interest earned but not yet credited to the account.
- If you close your account and the amount of interest earned in your account does not cover the early exit charge, the early exit charge (or part of it) will be taken from your account funds.
- If the end of the fixed-term falls on a non-working day, your funds will be made available on the next working day provided you have given us a withdrawal instruction prior to maturity.
- The Cash ISA Matured Funds account is subject to the following conditions:
  - Withdrawals can be made without giving prior notice.
  - You may transfer out the whole or part of your balance (if your account matures within the same tax year as your deposits were made you will have to transfer out the whole balance for that specific tax year).
  - You can make additional deposits into the account up to the maximum annual allowable subscription amount for the applicable tax year.
  - Transfers in from other ISA providers are not permitted.
- If there are residual funds left in your Cash ISA after we action your transfer instructions on maturity, the residual funds will remain in your account but your account will revert to a Cash ISA Matured Funds account as set out above and the terms of that account will apply to the funds.
- You can transfer out your balance to an alternative ISA provider at any point. If your transfer to another provider's ISA product takes place prior to the expiry of your fixed term, then your account will be subject to the early exit charge as detailed within the "Can I withdraw money?" section.
- If you transfer your Cash ISA/ISA(s) from another provider OR transfer funds from your current Shawbrook Cash ISA in the current tax year (where you are permitted to make deposits into this year's annual ISA subscription allowance), you must transfer the whole balance as you cannot hold two Cash ISA accounts in the current tax year.
- If the accrued interest in your account does not cover any applicable early exit charge, we will not credit any further interest into the account until such early exit charge has been recovered.
- You may not be able to re-deposit withdrawn funds if the re-deposit amount takes you above the maximum annual subscription amount or if the product to which your account relates has been withdrawn and no longer accepts new deposits into the account.

## POINTS TO NOTE

- **AER.** This stands for Annual Equivalent Rate. If you left a sum of money in your account all year, the AER would be the interest rate you'd get if we paid you interest during the course of the year and your subsequently higher balance then earned more interest (this is known as Compound Interest). The AER will only be higher than the gross interest rate where we pay you interest more than once a year. We quote the AER on all of our accounts so that you can compare our products with those of other banks.
- **Gross.** This is the interest rate without the deduction of income tax. Interest is paid gross to your account.
- **Financial Services Compensation Scheme (FSCS).** This product is covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. For further information about the compensation provided by the FSCS (including amounts covered and eligibility to claim), refer to the FSCS website [www.FSCS.org.uk](http://www.FSCS.org.uk) or call the FSCS on 0800 678 1100.
- **Prudential Regulation Authority (PRA)/Financial Conduct Authority (FCA).** Shawbrook is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. The FCA & PRA regulate many different kinds of financial services companies, and make sure that banks treat their customers fairly.
